

# **Paper Title (maximum of 3 lines)**

*Author 1, Company, City, State*

*Author 2, Company, City, State*

## **ABSTRACT**

Use the Times Roman base font for your maximum 250-word abstract.

## **Introduction [Example of Heading 1]**

This is an example of the first paragraph using the BodyText style. This style automatically indents your document. Do not put any blank lines between paragraphs. When you are ready to start a new section, hit Enter and type the next heading. After typing the heading, select the text and apply the correct heading style to the text.

## **Results [Example of Heading 2]**

This is an example of a paragraph using the BodyText style. This style automatically indents your document. Do not put any blank lines between paragraphs. When you are ready to start a new section, hit Enter and type the next heading. After typing the heading, select the text and apply the correct heading style to the text.

This is an example of a paragraph using the BodyText style. This style automatically indents your document. Do not put any blank lines between paragraphs. When you are ready to start a new section, hit Enter and type the next heading. After typing the heading, select the text and apply the correct heading style to the text.<sup>1</sup>

**Heading 3.** This is an example of the 3<sup>rd</sup> level heading: the heading text is Flush Left and the text is bold with a period following the heading. There should be one blank line before the start of the heading. The text then continues on the same line.<sup>2</sup>
