

AESP PRESENTS OUR THIRD ANNUAL

Elevating Diverse Suppliers Training

Monday, March 10

8:30am-12:30pm MT
Phoenix, AZ

Join us in sponsoring our third annual supplier diversity training, "Elevating Diverse Suppliers: Strategies for Growth and Connection." This pre-conference training, in conjunction with AESP's 35th Annual Conference, is dedicated to fostering connections and providing resources to diverse suppliers aiming to break into or advance within the clean energy industry. Through interactive sessions led by industry experts, participants will gain a deeper understanding of the energy landscape, learn actionable business strategies, and connect with other suppliers and potential business partners.

Become a sponsor of our 2025 Supplier Diversity Training and help empower the next generation of diverse suppliers in clean energy!

Event Highlights

- 101: What is the energy industry? Who are we? What do we do?

  A primer on the energy industry, its mission, and its key players.

- 201: How do you fit in? Why should you be here? What resources are available to you?

  Understand your company's place in clean energy and accessing resources to help you grow.

- 301: Hands-On Technical Workshop

  Walk through an RFP and gain insights into procurement with major utilities.

Why sponsor?

Sponsoring this training demonstrates your commitment to building a more inclusive and innovative supply chain in the energy industry.

As a sponsor, you will:

- **Enhance Your Brand Visibility:** Gain exposure through our event promotions and onsite recognition.
- **Champion Supplier Diversity:** Support diverse suppliers' growth and help shape the future of the clean energy industry.
- **Network with Industry Leaders:** Build connections with leading voices and new talent in clean energy.
